Registration for reconnaissance can be done according to the following schedule:

Friday NOVEMBER 14 th 2008	1900hrs – 2100hrs	Rally HQ Alexandra Racecourse Gordon Street ALEXANDRA
Saturday NOVEMBER 15 th 2008	0800hrs – 1100hrs	Rally HQ Alexandra Racecourse Gordon Street ALEXANDRA

6.2 Regulations

Reconnaissance for all competitors will take place on Saturday NOVEMBER 15th 2008 according to the schedule, detailed in Section 6.3. Refer to S/R 9.2 for reconnaissance vehicle requirements.

Only registered crews may take part in reconnaissance, in Driver/Co-Driver pairs according to each entry. The supplied ID stickers must be attached to the reconnaissance vehicle on the windshield (co-driver's side) and must be visible for the duration of the reconnaissance period.

On special stages the speed limit is 60 km/h.

Competitors must drive in a manner that does not endanger or inconvenience other traffic.

The maximum number of passages on each special stage for reconnaissance is limited to **three** per entered crew. This is controlled by a reconnaissance card, which must be shown at manned SS start, SS finish and, if requested, to Reconnaissance Control Crews along the route. **Crews must lodge their reconnaissance vehicle information prior to receiving their reconnaissance card or reconnaissance vehicle stickers.**

All stages driven more than once in the event will be considered as one for reconnaissance purposes. In no circumstances may crews drive in the opposite direction of the rally in the special stages, unless given directions to do so by the organisers or authorities. Entering or leaving the Special Stage elsewhere than through Start and Finish controls is prohibited.

Competitors found in breach of the reconnaissance regulations will be referred to the stewards who may apply an appropriate penalty, up to and including exclusion from the event.

6.3 Schedule:

Stages	From - To	Last start	SS km	*Km to SSS	Km to next SSS	Km to SSS 1
1/5	09:00 – 16:00	15:30	24.6	30	6.5	0.5

Organisers envisage that crews will either survey all four stages then transport through Thornton, where they have the opportunity for a brief meal/toilet break, to return for their second and third pass. 15.3 Crews rejoining this event will not be eligible VRC series points for the event.

16 OFFICIAL MAPS

Official maps will be supplied by the Organisers. In addition, Melways and VicRoads Country Directory may be useful.

17 CONTROLS AND TIMING

- 17.1 The event will be using A - A Timing as per NRC 1.33 and include and/or omit rules as per VRC Standing Regulations. All crews are advised to familiarise themselves with this system of timing prior to the event.
- 17.2 Electronic beams may be used for timing at the start and finish of competitive sections in place of manned positions. The control officials at the start and finish locations will be Judges of Fact in regards to information derived from electronic beams.

NOTE: At the **entry control to the service park only**, crews will be able to drive in to the control area and nominate their desired book-in time. The later of the nominated time and actual arrival time will be entered as the Time-In for that control. The usual penalties will apply, based on the time-in entered.

18 PENALTIES AND RESULTS

- 18.1 Any protest must be lodged in accordance with Section 4, Part XII, Protests - of the NCR.
- 18.2 The Clerk of Course reserves the right, when compiling results, to take into account any document(s) provided by an official or officials of the event.
- 18.3 Should a Special Stage be stopped for any reason before the last crew has completed that stage, the compassionate time ruling applies in accordance with VRC Standing Regulations and the current CAMS Manual.
- 18.4 With regard to 18.3, only the Stewards for the event may apply this rule after advice concerning the reason for the stoppage from the Clerk of Course. Should the Stewards consider the slowest time set as abnormal, they may select one of the four slowest times as the 'scratch' time. However no crew which is totally or partially responsible for stopping a stage may benefit from this action: such crew or crews will be given the time which they may eventually set, as agreed by the Clerk of Course and the Stewards.

The Organisers reserve the right to postpone, alter, cancel or abandon the event in accordance with the NCR 59.
